Call for a custom quote on Ficus trees over 12 ft. Available from 6'-35' tall. This product can be made according to your custom specifications. Can also be made in bonsai, hedge, topiary and bush forms.

* "Deluxe" denotes appx. 15%-20% more foliage, and additional trunks.

** IFR (Inherent Fire Retardant) foliage option increases price of tree. See price list.

Tree Height is measured from the floor to the top of the tree.

Overall spread is generally one-half the height.

Optional steel base plates available for all trees at an additional cost. Call for details.

DESCRIPTION:

Our Ficus trees are the closest match you'll find to the real thing. The canopy simulates a real ficus in width and layered branching. The trunks are heavy caliper silver maple which best replicates the look of a real ficus. They come in sizes from 6'-35'.
